

THE AD STORE

CREDENTIALS

WE ARE THE HUMAN NETWORK

We are the Human Network, an international creative group of communication agencies that makes old advertising agencies look like, well, old advertising agencies.

OUR BELIEFS

We believe that the communication world should embrace a more human dimension. That's why, in all our offices all around the world, what you'll find is teamwork, HUMANITY and a lot of honesty. And creativity, of course.

WHAT WE STAND OUT FOR

We do things differently. We do things faster.
Efficiently. Better.

We stand out for our speed of response, cost-
efficiency, and transparency.

JOIN OUR HUMAN REVOLUTION

We're The Ad Store, a creative network with big ideas and down-to-earth individuals.
